**PART I—Section 1****Notifications relating to Non-Statutory Rules, Regulations and Orders and Resolutions issued by the Ministries of the Government of India (other than the Ministry of Defence) and by the Supreme Court****PRESIDENT'S SECRETARIAT***New Delhi, the 17th June 1961*

**No 29-Pres/61**—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Rajasthan Police—

*Name of the officer and rank*

Shri Raghunath Singh, Deputy Superintendent of Police, Anti-Dacoity Force, Barmer, Rajasthan.

*Statement of services for which the decoration has been awarded*

On the 10th November, 1960 information was received by the Superintendent of Police Bannei about the presence of the notorious dacoit Malookia in the Dham of Khetia Bhl of Shekh-Ka Gaon, P S Sheo. The Superintendent of Police, along with Deputy Superintendents of Police, Shri Raghunath Singh, and Shri Dhan Singh and a police party left for the place at about 2.30 A.M. on the 11th November, 1960. Enroute they picked up Sub-Inspector Kalyan Singh, Brevet Jamadar Prithvi Singh and 4 Constables leaving their vehicles at about half a mile from the Dham of Khetia Bhl, the Police party surrounded the Dham and searched it but the dacoit Malookia was not found there. They however found fresh footprints of a camel. The Police Party divided itself into three sections under the command of the Superintendent of Police, Deputy Superintendent of Police, Raghunath Singh and Deputy Superintendent of Police Dhan Singh respectively. The police party under Shri Raghunath Singh followed the track of the camel, while the other two parties began to comb the area. Following the footprints of the camel, Shri Raghunath Singh entered a big 'nullah' and divided his party into three. The sections under Sub-Inspector Kalyan Singh and Gunner Lakh Singh were directed to march on either side in the 'nullah' and Shri Raghunath Singh along with tracker Gope Khan and F. C. Pratap Singh proceeded ahead of the two sections. They had hardly covered half a mile when the gunner, Lakh Singh, saw a camel sitting tied at its knee in a curve of the 'nullah'. The Police party then cautiously proceeded further. Shri Raghunath Singh had gone forward a few yards when Gope Khan spotted the dacoit's morcha which was surrounded by shrubs. The dacoit was in an advantageous position and was apparently holding his fire till the leader of the Police party came into close range. Gope Khan shouted a warning and Shri Raghunath Singh threw himself down. Even as he did so a shot from the dacoit passed over his head. A sharp encounter ensued in which the Police were in very exposed positions. Meanwhile the other two parties came up on hearing the gun fire and encircled the dacoit, but Shri Raghunath Singh and his party were still in great danger. Noticing a lull in the firing Shri Raghunath Singh at great risk to himself rushed the dacoit's position and jumped into the morcha where he found the dacoit had been killed.

In this successful encounter, Shri Raghunath Singh exhibited leadership and courage of a high order at great personal risk.

2 This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal.
